

2026年6月14日醫療氣體（氧氣）修例事宜

致親愛的客戶:

由於衛生署藥物辦公室已經將醫療氣體（氧氣）將納入藥劑製品的法定規管，將於6月14號生效，屆時，所有從事醫療氣體製造、批發或零售的公司，必須根據《藥劑業及毒藥條例》（第138章）（《條例》）領取相關的藥商牌照，以確保產品

符合安全程度、效能及素質的要求，方可合法經營。

詳情可於以下網址瀏覽:

www.drugoffice.gov.hk/eps/do/tc/pharmaceutical_trade/medical_gases_regulation.html

由於法例即將生效，本公司需要重新與合乎資格的醫療氣體生產商重新磋商，經過漫長磋商後，成本仍然大幅度提高，導致本公司不得已大幅度調整往後的營運方式及價格，故此來函預早通知相關變動，預計最新消息會於六月初再次通知。

如有任何疑問，歡迎致電本公司查詢，電話: 2770-9922。

Re: Regulatory Arrangements for Medical Gases (oxygen) effective 14 June 2026

Dear Valued Customer,

As the Drug Office of the Department of Health has included medical gases(oxygen) under the statutory regulation of pharmaceutical products, the relevant amendment will take effect on 14 June 2026. From that date onwards, all companies engaged in the manufacture, wholesale, or retail of medical gases must obtain the relevant drug dealer license under the *Pharmacy and Poisons Ordinance* (Cap. 138) before they can legally operate, in order to ensure that products meet the requirements for safety, efficacy, and quality.

For details, please visit the following website:

https://www.drugoffice.gov.hk/eps/do/en/pharmaceutical_trade/medical_gases_regulation.html

As the new regulations are about to take effect, our company is required to renegotiate with qualified medical gas manufacturers. After lengthy discussions, costs remain significantly higher, which unavoidably forces us to make substantial adjustments to our future operations and pricing. We are writing in advance to notify you of these upcoming changes. Further details are expected to be announced in early June.

Should you have any enquiries, please do not hesitate to contact us at 2770-9922.

Yours sincerely,

Forever Health Medical Instrument Ltd.
